MAHINDRA FURIO A BIG LEAP FOR INDIAN TRANSPORT.

This truck has everything it needs to transform the entire transport industry in India. Styled at the famous Italian automobile design and engineering company, Pininfarina, the Mahindra FURIO is crafted with striking looks and gives the assurance of outstanding performance. This proud addition to our truck range marks a new dawn for the Intermediate Commercial Vehicle (ICV) category and makes Mahindra a full range commercial vehicle player.

**WHEN YOU DELIVER HIGHER PROFITS,
PEACE OF MIND AND PROSPERITY,
THE WORLD ACKNOWLEDGES IT!
NOT ONCE, NOT TWICE, BUT 3 TIMES!**

CV of The Year: Mahindra FURIO

ICV Cargo Carrier of The Year: Mahindra FURIO 14

Special Application CV of The Year: Mahindra FURIO 12 Reefer

DOUBLE YOUR EARNINGS BASKET.

The Mahindra **FURIO** is the perfect ICV for delivering fruits and vegetables. What makes Mahindra **FURIO** the best bet for your business is that it gives you the assurance no other truck in its class does: **Double Service Guarantee*** with assured higher mileage.

So what's the secret behind this truck's profitability?

-  Assured higher mileage means more savings every trip
-  Higher load carrying capability gives you more earnings per delivery
-  Higher vehicle reliability
-  Superior driving performance
-  Higher driver comfort leads to more trips and more earnings
-  Higher safety which gives drivers the reassurance to drive in the nights and add to earnings
-  Best fit load body dimensions suitable for crates and sacks

READY TO RUN FROM DAY ONE. READY TO DELIVER PROFIT FROM DAY ONE.

The Mahindra **FURIO** is engineered to earn. That too from the very first day itself. It has been made from the ground up with your business in mind and hence needs minimal modifications.

Take a look:

Provision for Rooftop Luggage Carrier (RLC)

Robust Front Structure for greater strength and safety

Boltable and Removable Semicircular Canopy, for easy tarpaulin fitment

High Strength Low Alloy (with Grade 420 Panels) needs no extra reinforcement

Higher Number of Extra Large Hooks makes it easy for double knots

Dense Pitch Side Pillars offer better load support and prevent panel deformation

Higher Canopy Height and Two Additional Bars make it ideal for high stack loading

Side Ladder for easy access to the roof

Perfect Dimensions for Loading Crates and Sacks (with 2135 mm, 2288 mm and 2374 mm width models)

Five Hinges on Tail Panel for added strength

TRIPLE THE SIZE OF YOUR EARNINGS PACKAGE.

The Mahindra **FURIO** is the ideal ICV with multiple options and a host of features for delivering any shape or weight of e-commerce parcels. But what makes this truck the best choice in its class is the assurance of **Double Service Guarantee*** with assured higher mileage.

Read on to know how the Mahindra FURIO delivers this unmatched promise.

-  Higher mileage means more savings
-  Higher volumetric payload turns into bigger earnings on every trip
-  Higher vehicle reliability
-  Superior driving performance
-  Higher ride comfort allows drivers to make more deliveries
-  Longer body length models for transporting large goods with ease
-  Fleet Management Control

DELIVER MORE, WHATEVER THE CHASSIS LENGTH.

The Mahindra **FURIO** gives you the option of multiple chassis lengths. And no matter what you choose, you get more payload by volume. Making every model a truly profitable one.

- Longer chassis length suitable for large cargo
- Strong chassis for container gives confidence to carry more
- Lower chassis weight gives you higher volume payload

ASSURED HIGHER MILEAGE, THE BIGGEST REASON FOR MAHINDRA FURIO'S PROFITABILITY.

The Mahindra **FURIO** gives nothing less than the best mileage among ICVs in India. With fuel costs rising the way they are, this truck is the biggest game changer for your business.

- Assured Higher Mileage
- Needs lower AdBlue, gives you more savings
- Smooth performance leads to extra trips and more earnings

RELIABILITY THAT CONTRIBUTES TO GREATER EARNINGS.

This truck has such a high degree of reliability that doing business smoothly becomes an absolute certainty. In other words, you can depend on the Mahindra **FURIO** to quietly deliver consistently high performance trip after trip. And its build quality makes breakdowns a long-faded dream.

- Same rugged aggregates for unfailing reliability
- Consistent and reliable performance for on-time deliveries
- Allows drivers to clock more kilometres every month
- Minimal changes from BS4 to BS6 ensures similar high payload capacity

362 mm Diameter
Organic Clutch

High Strength Low Alloy
Material (HSLA 550)

Heavy-Duty Rear
Axle Meritor

HAPPIER DRIVERS MAKE FOR MORE PRODUCTIVE DRIVERS.

The Mahindra **FURIO** makes driving more comfortable. This allows drivers to make more trips which in turn contributes significantly to your earnings. In fact the driver's comfort was an overlooked factor for many years. But Mahindra **FURIO** has changed that completely.

- Space enough for two drivers
- Roomy cabin, with lower noise and vibration
- Ample resting space in cabin during stopovers; means less tiredness over long drives
- Well-ventilated cabin brings down temperatures; especially in hot conditions
- Cabin provides higher operational comfort
- Gives you market rate business edge by making on-time delivery possible
- Comfort that makes night-driving less of an effort
- Good cabin ergonomics leading to higher trip efficiency
