HAPPIER DRIVERS MAKE FOR MORE PRODUCTIVE DRIVERS.

The Mahindra **FURIO** makes driving more comfortable. This allows drivers to make more trips which in turn contributes significantly to your earnings. In fact the driver's comfort was an overlooked factor for many years. But Mahindra **FURIO** has changed that completely.

- Space enough for two drivers
- Roomy cabin, with lower noise and vibration
- Ample resting space in cabin during stopovers; means less tiredness over long drives
- Well-ventilated cabin brings down temperatures; especially in hot conditions
- Gives you market rate business edge by making on-time delivery possible
- Cabin provides higher operational comfort
- Comfort that makes night-driving less of an effort
- Good cabin ergonomics leading to higher trip efficiency

*Sleeper Berth is the optional fitment in FURIO 10
