- Mobile Audiology Clinic

Why Mahindra Jayo as MMU

- A compact vehicle with easy manoeuvrability in narrow lanes of the city, slum and remote areas.
- Spacious area to accommodate all types of equipment in the patient compartment.
- Radial tyres for better ride comfort.
- Best mileage and lower operating cost. The best value proposition for NGOs & Government agencies.
- Lower chassis weight gives you higher volumetric capacity for the MMU compartment.
- Longer chassis length is perfect for a larger MMU Compartment.

Mobile Medical Units on Mahindra Jayo has all the facilities prescribed by National Health Mission

- Patient waiting area inside the vehicle.
- Doctor and patient compartment
- Examination room or immunization room.
- Washbasin and dustbins
- Storage rack and cupboards.
- Scoop stretcher and emergency medical kit
- Roof-mounted motorized remote-controlled canopy for outside waiting person.
- Nebulizer, Glucometer & Digital weighing machine.
- LED TV and display board
- Split AC for vehicle cooling in stationary/parked condition
- Genset to provide AC supply up to 16 to 18 Hours.
- PA system to address the public with bar light.

MMU on Mahindra Jayo cares for India.

Designed in line with operational guidelines prescribed by National Health Mission – Ministry of Health & Family Welfare, Government of India. Mobile Medical Units on Mahindra Jayo is there to help India take healthcare to the doorsteps of people living in remote, under-served and unreachable areas.
